JIMMY AUBREY IN "A" ~~THE~~ HELPING HAND

After riding three days on a train, Jimmy finds out it is going in the direction opposite to the one he desires to travel. He thereupon has the train come to a stop, and finds his assistance is needed by the Farmer's Handy Man.

Jimmy's efforts to help him, causes more trouble than if he had not butted in, resulting in the chickens escaping from their coops, and a general mixup.

Jimmy finally tries to smooth out the situation, but in doing so complicates himself by feeding Mexican Jungle Beans to the live stock, and getting the whole farm into an uproar.

Finally he is conveyed to the train, which at last leads him in the right direction.
